

Helpful MCI links to take with you to the FSDO:
(Updated 1/25/2023)

The Federal Registry Final Rule. This document is useful because it provides clarification, rationale, and answers to questions that the basic FARs do not:

http://www.sheppardair.com/download/MCI_FinalRule_ReasoningDoc_E9-19353.pdf

The new wording of FAR 61.73 on the GPO website. This is where the official, and most importantly **current**, wording of the Military Competency FAR can be found:

https://www.ecfr.gov/cgi-bin/text-idx?SID=52c1b1c7b1cfa8fd0ae6af49f2f98f11&mc=true&node=se14.2.61_173&rgn=div8

The newly updated FSIMS job guide. This is where the official job guide can be found that gives the expanded instructions for the application of 61.73 and 61.199.
